Unarranged overdrafts

You'll have to pay a usage fee or interest if you have an unarranged overdraft. We show below the amount of the fee or interest (if any) which applies for each current account as well as the maximum amount we might charge you in a month in relation to an unarranged overdraft (this is called the Monthly Maximum Charge).

Monthly cap on unarranged overdraft charges

Each current account will set a monthly maximum charge for:

- going overdrawn when you have not arranged an overdraft; or
- going over/past your arranged overdraft limit (if you have one).

This cap covers any:

- interest and fees for going over/past your arranged overdraft limit;
- fees for each payment your bank allows despite lack of funds; and
- fees for each payment your bank refuses due to lack of funds.

- the unarranged overdraft is £10 or less;
- your account has had an unarranged overdraft for more than 30 days in a row; or
- your account has an unarranged overdraft only because of an overdraft or interest charge.

As well as applying the Monthly Maximum Charge, we also won't charge you more unarranged overdraft usage fees in a charging period than the total amount of the unarranged overdraft that you've used in that period (for example, if you've used an unarranged overdraft of £50 for 12 days in any charging period we'll charge £50, rather than £60 (£5 daily fee x 12)). The first charging period runs from the day you open your account, unless another day is agreed.

Arranged overdrafts

If we've agreed an arranged overdraft with you (we don't offer this on all our accounts), we'll charge interest at the rates set out below.

Benefits

We provide additional benefits with some of our accounts. We'll tell you what they are in the Welcome Brochure we give you when you open your account and you can find them at any time on our website www.ciom.hsbc.com/current-accounts or by asking us. These benefits will end when we transfer an account (or upgrade it) to another account. Separate terms apply to some benefits.

Eligibility

For some of our accounts you must meet our credit scoring requirements and affordability checks as well as meeting the conditions for having the account. Our Guide to Credit Scoring explains why we use credit scoring and what it is. You can find this in the 'Our information' section at www.ciom.hsbc.com/legal

Upgrading accounts

We may upgrade your account to another account, if there's no additional cost to you, by giving you 30 days' notice (or any different notice period is stated below). Your account number will stay the same. If you don't want an upgraded account we won't make the change if you tell us you'd rather keep your existing account.

Converting accounts

We may convert your account to another account, if you don't meet the conditions for the account you have, by giving you two months' notice. If you can tell us that you don't want a different account, we'll close your account(s) immediately and pay any money in the account to you.

Monthly payments in: After the first payment into the account you must make 11 more payments on the same date each month by standing order from a qualifying current account. Each payment must be between £25 and £250. You can only make one payment each month but if the payment is less than £250, you can pay in more in later months as long as the total amount paid in doesn't go over the Maximum Monthly Savings for that month.

Term: 12 months fixed.

Number: You can only have one Regular Saver at any time in your sole name or jointly with someone else.

What happens if you close your account before the end of the term? We'll transfer your savings and any interest to your current account unless you ask us to send it to a different account.

What happens at the end of the term? We'll transfer your savings and interest to any Instant Access Savings account, Flexible Saver or HSBC Premier Savings account you have with us. If you've more than one of these accounts, we'll transfer your money to the one with the best interest rate. If you don't have one of these accounts, we'll convert your Regular Saver to a Flexible Saver or, if you're eligible, an HSBC Premier Savings account.

Fixed Rate Saver

Minimum savings: £2,000

Conditions: You must have an HSBC current or savings account (in addition to a Regular Saver or Basic Bank Account).

Term: The number of months we agree with you at account opening.

On closing the account: We'll transfer your savings and any interest to your current account unless you ask us to send it to a different HSBC account. If you don't have an HSBC account, we'll hold your money (and any interest) for you until you open an account or we'll return your money by sending you a cheque if you ask. If the last day of the term is a non-working day, we'll close the account on the next working day and we'll continue to pay interest until that day.

Limits on paying in: You can't make any payments into the account after your initial payment.

Limits on taking money out before the end of the term: If you have less than £50,000 in your account, you can take the full amount out but you'll lose 90 days' interest. You can't take any amounts out if you have £50,000 or more in the account.

Maximum savings: £2,000,000.

Interest: The monthly bonus rate applies if you don't take money out, or close your account, in any month. Otherwise the standard rate applies.

We'll pay interest into your Online Bonus Saver account. You can ask us to pay interest into another account but this counts as taking money out of your account so you'll lose the bonus rate if you do.

Using your account: You can only access your account through Online or Mobile Banking. If you need to contact us, you must use secure e-message. We'll contact you by post or secure e-message.

You can only use telephone or an HSBC branch to send money by CHAPS (if it's in branch it must be for more than £10,000) or if you need to set up a Faster Payment to someone you haven't sent money to before.

Young Saver (no longer on sale)

Beneficiary accounts: These are accounts that are opened by a parent or legal guardian (or joint accounts opened by parents or legal guardians) of the child that benefits from the account. When the child who benefits from the account turns 11, we'll ask the parent or legal guardian whether to convert the account to a MySavings account in the child's name (we'll also open a MyAccount for the child as well) or to a Future Saver for Children account.

Automatic transfers: You can set automatic transfers from your account to another account in the same name, including a joint account, but only your parent or legal guardian can use Online, Mobile and Telephone Banking services in relation to the account.

Own accounts: These are opened by you, the child, and can't be joint accounts. When you reach the age of 11, we'll automatically convert your account to a MySavings account and we'll also open a MyAccount for you. If you or your parent/legal guardian don't want you to have a MyAccount and MySavings account, you or they can tell us. We'll close your account and repay the funds in your account to you.

We need written authority from any of your parents or legal guardians for any cash withdrawals or payments of £50 or more from your own account.

We may give information about your account to any of your parents or legal guardians if we consider it's reasonable to do so (for example, if they want to know that your account is being operated in your best interests).

Interest paid: Annually or monthly depending on your choice when you opened the account.

Set off: We won't apply our right of set off to this account.
