You, your, yours

Means the HSBC Insurance Aspects holder who is driving the **vehicle** for their own personal use or who is a passenger in the **vehicle** and who is not a motor trader, garage, business or individual dealing in the buying and selling or repair of motor vehicles.

2. Period of cover

HSBC Insurance Aspects Motor Breakdown Assistance is available to **you** as an HSBC Insurance Aspects holder (the person or persons named on the HSBC account from which the monthly fee for HSBC Insurance Aspects is deducted).

Your cover will begin as soon as **your** account has been opened, or 1 November 2018, whichever is the later. This cover will end with effect from the first date on which any of the following happen:

- **you** cease to be a resident within the **UK** (meaning that **your home** is no longer there);
- **you** are no longer an HSBC Insurance Aspects holder; or
- HSBC removes this cover as a benefit of HSBC Insurance Aspects.

3. Your cover

This policy covers **you** in the event of **vehicle breakdown**. **Your** cover is personal to **you**. **You** are therefore covered whilst travelling in any eligible **vehicle** as a driver or passenger and in attendance at time of the **breakdown**.

HSBC Insurance Aspects Motor Breakdown Assistance has been designed to protect **you** against costs incurred in the event of a **breakdown** within the **UK**.

Important

Cover under this policy is subject to limits:

- there is a limit to the number of **claims you** can make each year. This policy does not cover more than five **claims** per year, per account holder, from the start of this policy. One **claim** means one request for service or benefit for cover under any section of this policy, regardless of who makes the **claim**
- there is a limit to the amount that is covered for certain types of **claims** or for certain sections, as set out in this policy booklet

Meeting your needs

- This policy is intended to offer services relating to the **breakdown of vehicles**. It meets the demands and needs of those who wish to ensure the risk of the **breakdown of vehicles** is met now and in the future and that certain additional risks relating to the **breakdown of vehicles** are met.
- There are conditions and exclusions that apply to all sections. There are also specific conditions that are set out in each section that apply to each section. **You** must meet all of these conditions.
- All requests for service must be made directly to the **RAC**.

Additional benefits

Urgent message relay

If the **vehicle** has **broken down** and **you** need to get in touch with friends and family urgently, the **RAC** will get a message to them.

Replacement driver

If **you** become ill during a journey in the **UK** and no one within the party can drive the **vehicle**, the **RAC** may be able to provide a replacement driver. This service is discretionary, and **they** will decide whether or not to provide this service.

Additional services

The **RAC** can provide additional services that are not included in **your** HSBC Insurance Aspects Motor Breakdown Assistance policy but the **RAC** will charge for these, for example to:

1. purchase the replacement parts **you** need to get on **your** way
2. pay for specialist equipment, i.e. equipment that is not normally required by the **RAC** to complete repairs and recoveries, for example winching and specialist lifting equipment
3. arrange a second or extended recovery

If **you** need extra help, the **RAC** will agree the costs up front and will need full payment before **they** can help. If **you** are the HSBC Insurance Aspects holder, **you** will be responsible for any additional charges. This means if the **RAC** help someone under **your** HSBC Insurance Aspects Motor Breakdown Assistance policy and they cannot pay, the **RAC** will invoice you. This is why **they** request proof of identity at the **breakdown**.

Roadside assistance, At Home and Recovery

What is covered

HSBC Insurance Aspects Motor Breakdown Assistance includes cover for roadside assistance and recovery. If the **vehicle breaks down** within the **UK**, the **RAC** will:

1. send help to repair the **vehicle** at the roadside. This could be a permanent or temporary repair
2. if the **RAC** are unable to repair the **vehicle** at the roadside, they will recover the **vehicle, you** and up to seven passengers travelling in the **vehicle** to a single destination chosen by **you** within the **UK**. For long distances the **RAC** may use more than one recovery vehicle
3. if the **vehicle** has **broken down** due to misfuelling, the **RAC** will recover the **vehicle** to a destination within 10 miles of the **breakdown**
4. if the **vehicle** has **broken down** due to a tyre fault and the **vehicle** is not carrying a serviceable spare tyre, the tyre repair equipment provided by the **vehicle's** manufacturer or a locking wheel nut, the **RAC** will recover the **vehicle** to a destination within 10 miles of the **breakdown**

If the **RAC** recovers the vehicle to a garage, **they** will reimburse **you** for taxi costs for **you** and up to seven passengers travelling in the **vehicle** to continue the journey to a single destination within 20 miles.

Please note: Recovery must be arranged with the RAC while they are at the scene.

Caravans or trailers

If a **caravan** or **trailer breaks down** within the **UK** more than a quarter of a mile from **your home**, the **RAC** will send help to repair the **caravan** or **trailer** at the roadside. This could be a permanent or temporary repair.

The **RAC** will not provide any other cover under this policy if a **caravan** or **trailer breaks down**. However, if a vehicle **breaks down** and there is a **caravan** or **trailer** attached to it the **RAC** will recover the **caravan** or **trailer** as well.

What is not covered

In addition to the conditions and exclusions which apply to this whole policy, there is no cover for:

1. the cost of any replacement parts
2. the fitting of replacement parts, including batteries, supplied by anyone other than the **RAC**
3. any **breakdown** resulting from a fault that the **RAC** have previously attended and:
 - the original fault has not been properly repaired
 - the **RAC's** advice after a temporary repair has not been followed
4. a second recovery owing to the intended original destination being closed or inaccessible
5. recovery for **caravans** or **trailers** if the **caravan** or **trailer breaks down**

Conditions and exclusions which apply to this whole policy

The following conditions and exclusions also apply to this whole policy. If **you** do not comply the **RAC** reserve the right to refuse cover:

1. **you** must request services directly from the **RAC**, as **they** will only provide cover if they make arrangements to help you
2. where the **breakdown** is caused by a component failure this must stop the **vehicle** from working, so for example an air-conditioning failure in itself does not constitute a **breakdown**, and the illumination of a warning light does not always constitute a **breakdown**. If it does not, **you** will need to take the **vehicle** to a place of repair and **your** policy will not cover this

-
3. the **RAC** will not cover any **claim** where the **vehicle** is already at a garage or other place of repair
 4. where the **RAC** deem, acting reasonably, that **you** requested service to avoid the cost of repairing the **vehicle**, or to correct an attempted repair by someone else, the **RAC** will not provide cover
 5. **You** must be with the **vehicle** when the **RAC** attend
 6. **You** are responsible at all times for the care of any personal belongings, valuables, luggage and goods in or on a **vehicle**. The **RAC** will not be responsible for any loss of or damage to them
 7. where the **RAC** recover passengers under the age of 16, they must be accompanied by an adult
 8. the **RAC** will not allow animals in their vehicles, except guide dogs. Any animals can remain in the **vehicle** at **your** own risk. The **RAC** will not be liable for any injury to animals, or damage caused by them. **They** will not transport any livestock. **They** will not be responsible for any costs relating to animals
 9. the **vehicle** must not carry more passengers than the number stated in the **vehicle's** registration document. Each passenger must have a separate fixed seat fitted to the manufacturer's specification and any child must occupy a properly fitted child seat
 10. where the **RAC** provide a repair to the **vehicle**, whilst the **RAC** are responsible for that repair, this does not mean that **they** are confirming the legal and roadworthy condition of the **vehicle**. This remains the responsibility of the **vehicle** owner
 11. the **RAC** will not be responsible for any losses that may incur following a **breakdown** that are not expressly covered by this policy. For example, **they** will not pay for any loss of earnings or missed appointments
 12. the **RAC** do not guarantee that recovery to any garage will be during opening hours, or that repairs can start immediately. Whilst **they** will try to check that the garage will undertake the type of repairs required, the **RAC** cannot guarantee this. **They** will not take responsibility for repairs carried out at any garage and the contract for such repairs will be between **you** and the garage/repairer
 13. during extreme weather such as snow or floods, or other events such as riots, war, civil unrest or industrial disputes, the **RAC's** services can be interrupted. **They** will resume service to **you** as soon as **they** can in these circumstances

14. the cost of the following is not covered by this policy:

- equipment that is not normally required by the **RAC** to complete repairs and recoveries, for example winching and specialist winching and specialist lifting equipment
- ferry charges for the **vehicle** and the **RAC's** vehicle
- any damage to glass even if the damage means the **vehicle** cannot be legally or safely driven. The **RAC** will arrange transport to a local garage so you can arrange to get the **vehicle** fixed but **you** will have to pay for this
- spare tyres and wheels and repairing or sourcing them
- recovery by someone other than **RAC** even if this is requested by the emergency services, the **RAC** will only provide recovery once instructed to do so by the emergency services

15. in handling any **claim** there may be more than one option available to **you** under this policy. The **RAC** will decide which is the most appropriate option based on the expertise of the **RAC** in **breakdown** situations. In doing so **they** will act in consultation with **you**, and act reasonably at all times

16. the **vehicle** must be privately owned

17. this policy does not cover:

- motorcycles
- routine servicing, maintenance or assembly of the **vehicle**
- **caravans** or **trailers**, except as described under Roadside Assistance, At Home and Recovery
- use of the **vehicle** for business, public or private hire or commercial purposes, or for demonstrating and/or carrying trade plates
- **breakdowns** resulting from activities that are not subject to the normal rules of the road for example rallies, stock car racing or other formal or informal race events
- **breakdowns** that occur off the public highway in a place to which **you** or the **RAC** have no legal access
- the **vehicle** if it is not legally taxed, insured and holding a valid MOT which is required by law or is not being used in line with the manufacturer's guidelines
- **vehicles** that are not in a roadworthy condition. If the **RAC** consider, acting reasonably, that the **vehicle** is not in a legal or roadworthy condition, **they** can refuse to provide service. If **you** can demonstrate that the **vehicle** is roadworthy **they** will provide service

- any **claim** that is or may be affected by the influence of alcohol or drugs;
- any **breakdown** that is caused by or as a result of **vehicle** theft or fire
- any **claim** under this policy where the **breakdown** was first reported to the **RAC** under a different policy
- more than five **claims** per 12 month period from the start of **your** policy, as defined in Section 2 (Period of Cover), per account holder. One **claim** means one request for service or benefit for cover under any section of this policy, regardless of who makes the **claim**

18. if **you** are asked to review and approve a document recording the condition of the **vehicle**, including an electronic form, it is **your** responsibility to ensure that the record is accurate and complete, and the **RAC** will not be responsible for any errors or omissions.

4. What to do in the event of a breakdown

The **RAC** will need the following when **you** call to report a **breakdown**:

1. **Your** name
2. the **vehicle's** make, model and registration number
3. the exact location of the **vehicle** – the road it is on or the nearest road junction
4. the number of the phone you are using
5. the cause of the breakdown, if you know it

The **RAC** will ask **you** to provide identification such as a bank card or driving licence.

If **you** fail to make contact within 24 hours of becoming aware of the **breakdown**, cover may be refused in relation to the **breakdown**.

Remember

Please let the **RAC** know if **you** have called **them** but manage to get going before **they** arrive.

The **RAC** will only provide cover where **they** have arranged help, so please do not go directly to a garage or other recovery service.

The **RAC** may ask **you** to supply original documents. Completed **claim** forms and proof of payment can also be emailed to HSBC@rac.co.uk.

3. omit to tell the **RAC** important facts about a **breakdown** in order to obtain a service
