**Car Dealership Launches into Isle of Man by Unveiling New Showroom with  
HSBC Support**

A brand new state-of-the-art car showroom officially opened in the Isle of Man last week, thanks to financing support from HSBC Channel Islands and Isle of Man.

The new showroom on Cooil Road, which has been in development for three years, forms part of Jacksons' expansion into the island and was officially opened at a launch ceremony on Friday 7 September.

The showroom will be home to both Jacksons and sister dealership Motor Mall, which are both already prominent and longstanding dealerships in the Channel Islands and Isle of Wight.

HSBC supported Jacksons' expansion by providing a range of lending facilities to the business, specifically to support the showroom's development.

Commenting on the transaction, Jaime Amoedo, Head of Corporate and Commercial Banking, HSBC Isle of Man, said:

"Having supported Jacksons for a number of years, it's really pleasing to have played a part in their expansion into the Isle of Man, with the official opening of their new showroom representing a real milestone for them in the island. HSBC is committed to supporting the growth and success of local businesses in the island and this is a great example of that."

Paul Collier, Chief Executive Officer, Jacksons (C.I) Ltd, added:

"We could not have made this step without the financial assistance and expertise of our long-term banking partner. I am absolutely delighted with our new flagship showroom, which provides us with the perfect foundation for future growth".
