Policy Summary and Important Information
Travel Insurance Policy Summary and Important Information

This summarises the main policy benefits, limitations and exclusions and gives you other information you need to know about the insurance. Please read this information carefully and keep it for your future reference. A policy booklet will be issued when you take out a policy; you can also view or download the full policy wording online at hsbc.co.uk.

Policy Summary

This is a summary of the policy and does not contain the full terms and conditions of the cover, which can be found in the policy documentation. It is important that you read the policy documentation carefully when you receive it as it forms your contract of your insurance.

Who is the Insurer?
The insurer of this policy is Aviva Insurance Limited.

What is HSBC Travel Insurance?
This HSBC Travel Insurance policy is designed to meet certain costs that might arise in the course of your travels.

Some of the covers summarised are optional and these are clearly marked as such. If you have selected any of these options, they will be clearly marked on your policy schedule.

Your policy schedule will show the limits which apply to each section. These are the maximum amounts we will pay for any claim for each insured person. The policy schedule will also show the excess you will have to pay towards the first part of any claim for certain sections.

Please refer to the policy booklet for full details of the cover provided, special conditions and exclusions under each section together with the General Exclusions and General Conditions which apply to the whole policy. The contents page shows the relevant page numbers of each section.
What are the significant benefits and features of the HSBC Travel Insurance policy?

- This HSBC Travel Insurance offers two policies for you to choose from: Single Trip or Annual Multi-trip. The type of policy and the geographical areas of cover which you have selected are shown on your policy schedule.
- The policy only covers UK (including the Channel Islands and Isle of Man) residents (meaning your main home is in the UK and you are registered with a UK doctor and liable to pay tax in the UK). All insured persons must have been resident in the UK for at least 6 months at the time of buying or renewing the policy.
- All trips that start and end in the UK and last no longer than the duration shown on your schedule are covered.
- Optional cover for business trips involving office based clerical or administrative duties is available.
- Insured persons are covered while taking part in certain recreational leisure activities. These are listed in your policy booklet and also include some activity based holidays where this is the main purpose of your trip. Optional cover for Winter Sports, Golfing and Scuba Diving up to 30 metres is available.
- Cover is provided if you are prevented from travelling or are stranded abroad due to the closure of airspace or an airport or port.
- Our 24-hour Worldwide Medical Emergency Assistance Service will provide immediate help with any medical emergency you have when you are on your trip.

Pre-existing medical conditions – important declarations you must make

It is important that you read and fully understand the Medical Declaration in your policy booklet as you are required to tell us about pre-existing medical conditions. It applies to all insured persons and anyone else upon whose good health your trip depends, even if they are not travelling with you. Upon assessing your declaration we will confirm whether cover can be provided if a claim occurs due to any pre-existing medical condition.

At the time of buying or before renewing your policy and when booking a trip you must tell us:

- if any insured person has received advice, medication or treatment for any serious, chronic or recurring illness, injury or disease in the last 12 months.
- if any insured person is under investigation or awaiting results, or is on a waiting list for, or is aware of the need for, in-patient treatment for any diagnosed or undiagnosed condition.
- if any insured person knows of any close relative, close business associate, travelling companion or person they plan to stay with (and upon whose good health their trip depends), who has a serious illness, injury or disease which could affect their decision to take or continue their trip.

Between booking a trip and the departure date or prior to paying any final balance you must tell us if any insured person, or anyone upon whose good health the trip depends, has been referred to a Consultant/Specialist, attends A&E or is admitted to a hospital.
What are the significant or unusual exclusions or limitations of the HSBC Travel Insurance policy?

- Pre-existing medical conditions are not covered at any time under this policy unless they have been disclosed to and accepted by us.
- Management fees, maintenance costs or exchange fees associated with timeshares and similar arrangements.
- The cost of travel or accommodation arranged using air miles or similar promotions.
- Refund of any course or tuition fees, project costs, sponsorship fees or similar.
- If you are motorcycling on a machine over 125cc unless this is your mode of transport from the UK to Europe.
- If you use a quad bike/all terrain vehicle, on or off road.
- If you participate in any leisure activity or activity based holiday that is not listed in the policy booklet.
- Holidays in the UK will only be covered if they include two or more consecutive nights’ stay in pre-booked holiday accommodation.

  a) You have not purchased your return ticket to the UK before you depart on your trip; or
  b) You are travelling on an open-ended ticket and have not confirmed a return date to the UK with the airline.
- Claims for death, injury, illness or disability are not covered if they result from your misuse or consumption of alcohol or drugs to an extent which causes immediate or long term physical harm or affects your judgement causing you to take actions you would not normally take.
- Any specific exclusion or limitation shown on your policy schedule.
- For refund of any costs for persons not named on your policy schedule.
- For travel and/or accommodation costs where these are recoverable from the provider.

Please tell the insurer immediately if there are any changes to the information set out in the Information Provided By You, Demands and Needs Statement or on your schedule. You must also tell the insurer immediately about the following changes:

- Any change to your health or the health of anyone else the trip depends on (e.g. a travelling companion, or a close relative, even if they are not travelling with you). Please see the Medical Declaration section of your policy.
- You are travelling to a country that is not included in the area covered under your policy, other than refuelling stops that do not include an overnight stay.
- You are planning a trip that is over the trip duration as shown on your policy schedule.

If you are in any doubt please call the insurer on 0800 169 4013. When you inform them of a change, they will inform you if this affects your policy, for example whether they can accept the change and if so whether the change will result in revised terms and/or premium being applied. If the information provided by you is not complete and accurate, the insurer may:

- revise the premium and/or amend the medical underwriting decision(s) for any declared pre-existing medical condition(s) which may result in an accepted condition being excluded, or
- cancel your policy and refuse to pay any claim, or
- not pay any claim in full.

HSBC Bank plc and the insurer recommend you keep a record (including copies of letters) of all information provided to the insurer for your future reference.

Or
2. Let you know that they are unable to renew your insurance. Reasons why this may happen include, but are not limited to, the following:

  - They reasonably suspect fraud;
  - Your claims history;
  - They have changed their acceptance criteria; and/or

**Continuous Renewal Payment Authority – e.g. Credit/Debit Cards**

Where the insurer has offered you renewal terms and you select or have selected a continuous premium payment method, you will be notified in writing at least 21 days before your renewal date that the policy will automatically be renewed and the renewal premium will again be collected from your specified bank account or credit/debit card. The insurer will not automatically renew your policy if you have contacted them to cancel your continuous payment authority since your last renewal. If this is the case they will advise you in your renewal letter and you will need to contact them to make payment before they can renew your policy.

**Sensitive Data**

In order to assess the terms of the insurance contract or administer claims that arise, HSBC Bank plc, the insurer or their agents may need to collect data that the Data Protection Act 1998 defines as sensitive (such as medical history or criminal convictions). To help us continually improve our service, and in the interests of security, we may monitor and/or record your calls with us.
