Helpful and Important Information about this policy
This policy is included with your HSBC Premier Bank
Account. Please read this booklet carefully, keep it in a safe
place and take it with you when you travel. It gives you full
details of what is covered, what is not covered and the limits,
excesses and conditions of cover. It is the account holder’s
responsibility to ensure that all insured persons are aware of
their responsibility and comply with all of the policy conditions.
If you do not comply, we may refuse your claim or reduce your
cover in the event of a claim.

In respect of each trip taken during the period of insurance,
we will provide the cover set out in this policy document
provided:
1. you are an account holder;
2. you are a UK resident;
3. in order to make any emergency medical claims or claims for
cancellation or coming home early due to medical emergencies,
you are registered with a doctor in the UK;

age (under 23 years of age if still in full time education) are only
covered when travelling with the account holder or his/her
partner.

Automatic cover
This policy automatically applies for each trip, this means you
do not have to contact us every time you book a trip, unless
you need to tell the Medical Risk Assessment Helpline about
any change to a previously disclosed medical condition or the
diagnosis of a new condition. Please also read ‘Information and
changes we need to know about below.

Information and changes we need to know about
You must take reasonable care to provide complete and
accurate answers to the questions we ask you. For example
before you book a trip or travel, you may need to tell the
Medical Risk Assessment Helpline about medical conditions
not shown on the “Accepted conditions” list. After your HSBC
Premier account is opened, you must make sure that you tell
the Medical Risk Assessment Helpline if there are any changes
in health. Please see the “Your Health” section for full details of
what you need to declare.

You also need to tell HSBC if you move address – if this means
that you are no longer a UK resident then all cover under this
policy will end.

When we are notified of a change, we will tell you if it affects
this policy, for example whether we are able to accept the
change and if so, whether the change will result in revised
terms. If the information provided by you is not complete and
accurate we may:
1. revise or amend the medical underwriting decision(s) for
any declared pre-existing condition(s), which may result in the
accepted condition being excluded; or
2. refuse to pay any claim; or
3. not pay any claim in full.

If you are in any doubt about Information or Changes we need
to know about, please contact us.

Amendments to your cover
You may be able to upgrade from the standard cover for an
extended trip duration of up to 120 days. To check if this is
possible please call the Upgrade Helpline number shown on
page 4 before you travel for further information and a quotation.

Automatic extension of cover
If you cannot get back home before your cover ends, this
policy will remain in force as follows:
1. up to 14 days if any vehicle you are travelling in breaks down,
or any vehicle, vessel, train or aircraft in which you are booked
to travel as a ticket holding passenger is delayed or cancelled; or
2. for as long as medically necessary where you are claiming
for emergency medical treatment under this policy.
Automatic termination of cover
All cover under this policy will cease automatically if:

1. the account holder:
   ♦ closes the HSBC Premier bank account;
   ♦ reaches 70 years of age (on joint accounts cover continues for other eligible account holders and other insured persons until all account holders reach 70 years of age);
   ♦ is no longer a UK resident;
   ♦ is believed to be or reasonably suspected by us to be acting fraudulently.

2. HSBC cancels the HSBC Premier account under one of the reasons set-out in the HSBC Premier account terms and conditions.

If an insured person is on a trip at the time an automatic termination event occurs, all cover will cease when the trip ends.

Your cancellation rights
This policy will remain in force subject to the automatic termination of cover section above.

You have a 14 day period in which to cancel this policy. This period begins on the date you opened your HSBC Premier account or when you receive your policy document, whichever is later. To cancel this policy at any time the HSBC Premier account must be closed. General Conditions

1. The account holder must have an HSBC Premier Bank Account.

2. You must be registered with a doctor in the UK to be covered for any emergency medical claims or claims for cancellation or coming home early due to medical emergencies.

3. You must have taken reasonable care to provide complete and accurate answers to the questions asked when you opened your HSBC Premier Bank Account and before you book a trip or travel make sure that you have told us about any medical conditions as detailed in the Your Health section on page 13.

Please note that if you fail to tell the insurer about medical conditions this could invalidate this policy and could mean that part or all of a claim may not be paid. It is therefore very important that you read the Your Health section in this booklet.

If the information provided by you is not complete and accurate, we may amend the medical underwriting decision(s) for any declared pre-existing condition(s) which may result in an accepted condition being excluded, or refuse to pay any claim, or not pay any claim in full.

If you fail to notify us of any changes to your health before a trip (as required in the Your Health section of this booklet) this could result in a previously accepted medical condition being excluded.

4. Our right to cancel:

HSBC may cancel this policy on our behalf by sending at least 30 days written notice to your last known postal and/or email address setting out the reason for cancellation.

Valid reasons include, but are not limited to, the following:

a. where we reasonably suspect fraud;

b. where you fail to co-operate with us or provide us with information or documentation we reasonably require and this affects our ability to assess a claim or defend our interests. See the General Conditions 7, 8, and 10 below;

c. where you have not taken reasonable care to provide complete and accurate answers to the questions we ask as required in the ‘information and changes we need to know about’ section in this policy booklet and General Condition 2;

d. where HSBC decide to offer this policy through an alternative provider as provided for in General Condition 16.

HSBC may also cancel this policy in accordance with the HSBC Premier Bank Account Terms and Conditions. Please refer to this document for further details.

5. Claims fraud:

In order to prevent and detect fraud HSBC and the insurer may at any time share information about you with other organisations and public bodies including the police.

You should show these notices to anyone who has an interest in this policy.
If your claim is in any way dishonest or exaggerated we will not pay any costs or benefits under this policy and we may cancel this policy immediately and backdate the cancellation to the date of the fraudulent claim. We may also report you to the police and/or take legal action against you.

6. You must take all reasonable precautions to protect yourself and your property against any accident, injury, theft, loss or damage. You must take the same level of care as you would if you did not have this policy.

7. If we make a payment before cover is confirmed and our claims investigation reveals that no cover exists under the terms of this policy, you must pay us back any amount we have paid, which you are not covered for.

8. You must tell us as soon as possible after becoming aware of any circumstances which may lead to a claim under this policy. You must also tell us if you are aware of any legal proceedings, summons or prosecution. You must send us every communication relating to a claim as soon as reasonably possible.

9. You, or any person acting for you, must not negotiate, admit or reject any claim without our permission in writing.

10. We may refuse to pay any expenses for which you cannot provide receipts or bills.

11. You or your legal representative must pay for any certificates, information and evidence, which we may need. When there is a claim for injury or illness, we may ask for, and will pay for, any insured person to be medically examined on our behalf.

12. If, at the time of an incident which results in a claim under this policy, there is any other insurance covering the same loss, damage, expense or liability, we are entitled to approach that insurer for a contribution towards the claim, and will only pay our share. This condition does not apply to the Accidental Death and Permanent Injury benefit or Medical Inconvenience benefit under the Emergency Medical and Associated Expenses section.

13. We are entitled to take over and carry out in your name the defence or settlement of any legal action. We may also take proceedings at our own expense and for our own benefit, but in your name, to recover any payment we have made under this policy to anyone else.

14. If you make a medical claim you may be asked to provide consent to enable us to access your medical records. This will help the treating doctors, and us, to provide you with the most appropriate treatment and assess whether cover applies. If you do not agree to provide this we will not deal with your claim.

15. Following the expiry of a cooling off period of 14 days commencing on the date you take out the account or the date on which you receive the policy documents (whichever is the later), you continue to have the right to cancel this policy at any time by contacting HSBC.

16. We can, at any time and after taking a fair and reasonable view, but no more than once in any 6 month period make changes to this policy’s terms and conditions, to reflect changes in our expectations of the future likely cost of providing cover. Policy cover may increase or decrease, but the changes will not be made for the sake of recouping past losses.

When doing so we will only consider one or more of the following:

a. our experience and expectations of the cost of providing this product and/or other Aviva products of a similar nature.

b. information reasonably available to us on the actual and expected claims experience of insurers of similar products.

c. widely available economic information such as inflation rates and exchange rates.

Additionally, we can, at any time and after taking a fair and reasonable view, make changes to this policy’s terms and conditions:

a. to reflect changes (affecting us or this policy) in the law or regulation or the interpretation of law or regulation, or changes in taxation.

b. to reflect decisions or recommendations of an Ombudsman, regulator or similar person, or any code of practice, with which we intend to comply.

c. in order to make this policy clearer and fairer to you or to rectify any mistakes that may be discovered in due course.

Changes (together with the reasons for such changes) will be notified to you in writing at least 30 days in advance.

17. HSBC may cancel this policy on our behalf and may offer cover with another provider. If this happens HSBC will contact you by sending 30 days’ notice to your last known postal and/or email address.
