

Take the Tour

Video Transcript

Here at HSBC we appreciate that our customers' needs are forever evolving.

That's why we are forever looking at ways to make it even easier for you to manage your money.

Once you've logged on, it's simple.

First off, you will notice a shift from the left side from the top of the screen. All your settings are easy to see. We have refreshed your account dashboard. You can return here at any time by selecting the logo. So you can instantly get an overview of any globally linked accounts. Moving from a global perspective to a more personal view. Looking to pay people or pay your bills? Then Move money is ideal. Perfect for sending money internationally or making transfers between accounts and different currencies. While for instant same currency account transfers, useful tools and services all to your fingertips when you bank online. More enhancements, more often, with more to look forward to.
